Re: Public Records Request

Dear Ms. Lipscomb:

On July 5, 2016, I received a letter responding to my public records request pertaining to records of correspondence or communications of the office of Governor Phil Bryant related to H.B. 1523. The letter I received on July 5, 2016, acknowledged that the office of Governor Bryant had received my original request on June 23, 2016.

As I read your letter, the Governor's office does not claim that any requested document is exempt from public inspection, but instead merely requests additional time to collect the requested documents since they may be voluminous. Accordingly, if you do not intend to make the requested documents available electronically, please advise a time and place where we may retrieve a hard copy of the documents before close of

Very truly yours,

Roberta Kaplan
